**Secretary's report:** Gone over, two errors from the March minutes- it should have read the Marv moved to buy 3,500.00 tickets not \$3,500 on tickets for the poker run, the second error was that the insurance (\$375.00/year) was for insurance and bonding. Deb moved to accept the report. Second by Lester.

**Treasurer's report:** The balance of the checking account is \$3959. The savings is \$8113. There is now an additional account that is just for the Buffalo trail restoration and that is at \$9303. Some of the changes include- \$1000 went towards buying poker run "donations", \$500 donated to the Fairchild Rod and Gun Club kids day, an ad in the Ad Delight, The Osseo Snow Drifters donated \$500 towards trail restoration.

The audit was completed for the year.

As far as the trail restoration goes, we were quoted at roughly \$42,000 per mile. As far as the Grants we applied for the Polaris one should be around 10,000 and the Yamaha grant had a few questions about the trail that Brad was able to reply to earlier this week. We will be doing marble raffles at the club ride and at meetings, all profits from that will be going towards the trail. Also there is one at Trails and one at Blooms, the drawing will be held at the Poker run.

The club weekend away will be in Minong this year.

Diane was able to get the Packer football for the Poker Run, We will also be getting a signed mini helmet from the QB of the Vikings. At this time we are unable to get the flip grill donated but we are going to see if we can purchase it.
