Lake Martha Days: At this years parade we had 16 machines. We handed out 350 bags that contained coloring crayons, a book, chalk, and ice cream coupons. We would like to thank everyone that came out and participated by handing out the bags or getting them ready to hand out. We also would like to thank everyone that helped in the beer tent or the ticket booth.

Raffle Run: Dianne was able to get the packer football. The club had to purchase things to spruce up the booze and wine baskets. Business memberships needed to be turned in by July 1st to be put on the Raffle Run shirts.

Buffalo Trail: Louis (from the DNR) would like us to adopt the 8 miles of trail from Eleva to Peterson Road. This means we would be responsible for basic trail maintenance. Any work done on the trail needs to be recorded and hours documented so we could be reimbursed for our time and expenses. Marv moved to adopt that section of trail. Second by Todd. Motion carried.

The club members that have been working on the trail have made it from Eleva to Buffalo Road. At this time because the trail has not been adopted is volunteer work. They have received donations from local businesses to help. They also are working with the DNR on obtaining \$20,000 to go towards the trail repair on the four mile stretch from Eleva to Strum.

Les moved to adjourn the meeting. Second by Bill. Motion carried.
