Last months ride was about 80 miles. Two club members donated a flip grill and we did a penny raffle on it during the ride with proceeds going to Zach Smith because of his house fire. By selling all the tickets we would have made \$802.00. We sold all the tickets plus had some extra donations so the total ended up being \$900.07. Next months club ride will be June 12<sup>th</sup>.

The club received a \$10,000 Polaris grant to go toward the trail restoration. We should know more about the Yamaha Grant by the 28<sup>th</sup>.

Bids are due on Friday as far as trail repair. Board members will have to meet and decide.

We will be working the beer tent at Lake Martha Days again this year on the 19<sup>th</sup>. Dianne will be working the ticket booth. Vern, Zach, Bryan and Anna volunteered.

The trial area for dust control was started (Requa Road) Thank you to Dally for the use of his tractor, Mike for parts and tank and Bryan for your ideas. We will need permission before doing anymore. 1 gallon of the calcium chloride does about 2.5 feet.

We have the tickets for this year's Poker Run, if you would like some to sell, please as Brad. The gun that is on the ticket will have to be registered to the winner before they can receive it. Out of the \$2000 we are spending on donations so far we have spent \$1580.67. \$419 was used towards the ATV basket and to spruce up the other baskets.

Dianne made a motion to donate \$200 towards an item and/or monetary gift for Dan Forcier after the passing of Joanne.

Dally moved to adjourn the meeting. Second by bill. Motion Carried
